## TO OUR 2021 IGNITE MY FUTURE SCHOLARSHIP WINNERS

### Summer Hamilton, Wellington High School

Summer's community engagement includes volunteering for Kiwanis Pancake Breakfasts and as a coach for Special Olympics. "I love interacting with people, especially veterans because I love to hear their stories and accomplishments or the sacrifices they made for our country." Summer will be attending Kent State University in the fall of 2021.

### Abbey Higginbotham, Normandy High School

Abbey volunteers her time tutoring her peers and has made blankets for a local animal shelter. "To me, service means that you help another person by performing a service or action. My favorite experience was when I volunteered at St. Augustine's Hunger Center. It felt amazing to know that I was helping feed those who did not know where their next meal was coming from." Abbey will be attending the University of Akron in fall of 2021 to study speech-language pathology.

### Maria Vurbic, Eastlake North High School

For the past three years Maria has volunteered as a classroom assistant for Saints Robert and William's PSR program. "I love working with children, and I hope that something I teach them sticks with them throughout their lives." Maria will be attending Lakeland Community College to participate in their college credit plus program.
